
Subject: Invitation to Video Premiere.

Dear Saints

You are hereby cordially invited to the premiere (first showing) of the brand new video "**FREEMASONRY: What you desperately need to know**" (Part I).
(Because of the sensitivity of the subject, please do not forward this invitation to any others. The invitation is only for CTHeraldnet subscribers. This is NOT an open invitation!)

This video is the culmination of years of diagnostic spiritual research (spiritual mapping).

The video is the first of a series of four (the rest of which are still in the making), which had started out as teachings in prayer schools, presented on transparencies. After numerous requests for a more user-friendly format, and after great effort, it had been transformed into a CD slideshow (presentable on computer).
Now, at considerable cost, it had been transformed into a professional video presentation.

Almost the entire population of South Africa is completely ignorant of the workings and agenda of the secret organisation: Freemasonry. The aim of the presentation is to inform the public, and specifically church members and leaders concerning these things. The church **DESPERATELY** needs this information in order to be spiritually armed for the battles ahead!

The presentation is specifically aimed at the church, contains a wealth of information and deals with:

1. The basic Masonic worldview.
2. A comparison between some Masonic concepts and the Bible.
3. A diagnosis of the spirit behind Freemasonry.
4. The infiltration by Freemasonry of the Church and church leadership in South Africa.
5. Some Masonic signs and symbols.
6. Some manifestations of Masonic influence in the Western Cape.

Videos to follow in this series:

1. Freemasonry (Part II).
2. Sun Worship.
3. The Queen of Heaven.
