Dear saints

I am speechless and literally on my knees before our heavenly Father as He is in control of every aspect of these prayer camps!! If I ever had even the slightest of doubt in my mind regarding these wonderful camps and Gods involvement in these camps, I can honestly say - I am convinced that this is really on Gods heart!! I want to thank everybody who was and is prepared to pay the deposit for our camps. Abba will greatly reward you for your generosity and willingness, and I am rejoicing before our Father.

He definitely has great plans, and I'd like to urge you - don't miss out next year!!! Listen to what I am saying - we are moving in Gods will and we are going to see God's hand moving, and you can choose to be part of it or let it pass you by!!!! Isaiah 52:1,2 is a wake-up call - and I am calling you as intercessors to wake up!!!!

May God bless you and keep you, and may you hear the trumpet with the wake-up call.....
