Touching Hearts

Touching Hearts enables you to overcome the challenges of life. It offers healing and wholeness out of which you can bless those around you, as a leader, a father or mother, husband or wife, widow/er, divorcee or single person - in fact a course for anybody and everybody.

Cindy Black "This ministry has been an instrument to facilitate a true release in the **spiritual, to allow the full potential and purposes of God for my life.**"

Wouw & Sonia "There really was no hope for us."

Edmie "I was spiritually and mentally dying"

Poppie "Dit is nie 'n kursus nie, maar 'n proses van dieper inbeweeg in die genade van die Heer"

Kom beleef die dieper liggende liefde van Jesus deur die bediening. Ervaar dat jy werklik belangrik is vir Hom, tenspyte van die druk van die hede en die pyn van die verlede.
