

Subject: Intercessors Camp

Dear Saints

Hereby the final arrangements for the Intercessors Camp at Bridgetown in a week's time, written by Madelein Smalberger (Organiser).

The aim of the camp is to facilitate an opportunity for the intercessors of Cape Town to hear the voice of the Lord corporately and interdenominationally. There is no program for the camp. We need to hear what the Lord is prophetically saying to the city of Cape Town.

See you there!
