
Subject: Prophecy over Cape Town - Samuel Doctorian.

Dear Saints

The prophecy below had been delivered this past Easter Sunday (20/04/2003) in the Lighthouse in Parow by Dr. Samuel Doctorian.

He is well known for his vision of the five angels (each one representing one continent) on the Island of Patmos a couple of years ago. These angels made known to him many things which were to happen. Amongst many other things, they foretold the fall of the twin towers in New York. Many of the things that have been foretold have in the meantime been fulfilled. If you would be interested, you can request this full prophecy by hitting the "Reply" button on your browser and requesting it on top of the text body.

Dr. Doctorian is an Armenian by birth and had grown up in Jerusalem. He speaks seven languages, and visits and ministers in more than 30 countries of the world every year.

We pray that this word would bless and encourage you. I had transcribed it from an audio tape recording which had been made of the service which had been conducted by Dr. Doctorian.

Prophecy: Dr. Samuel Doctorian. Cape Town (20/04/2003).

“... I’d like to obey the Holy Spirit of God. And the Holy Spirit just now, just now in my spirit telling me not to preach any more. Just to be in the Spirit right now:

‘My children, I’m in the midst of you. My children, I have conquered - victorious over death, over sin, over Satan, over hell. I have won the victory for your soul. I have shed My blood for you. And as I rose from the dead, I have redeemed you. I have redeemed you with My precious blood. The blood that I have shed once and for all will change your whole life. You can claim every gift from Me, every blessing. I’m alive in My church. I will bless your homes. I will bless your families. I will bless your business. I will do wonders for you.

I know some of you have lost your first love. I know some of you have failed Me. But My love has never changed - I love you with eternal love. Come to Me today, return to Me. I’ll forgive all your sins and all your weaknesses. I’ll revive you like never before. I will seal the word with My mighty Spirit.

My children, the world is going through great trouble, and very terrible days are coming. Very sad days are coming. Suddenly you will see earthquakes all around Cape Town. Suddenly you will see tremendous flooding and strong winds - great destruction. You will see nation will rise against nation. The world will be in great trouble. The world will be in terrible war. Nuclear weapons man is going to use, and millions are going to die.

But My children, I am in the midst of you. I will never leave you. I will be with you to the end of the ages. Be ready, for the trumpet is going to sound and I want to take you to be with Me where I am. My children, be faithful, be true, be humble. Follow My Word, rejoice in Me, and I will bless you abundantly,’ saith the Lord.

Oh, hallelujah, to God be the glory...”
