***Gateways from the South: Mt. Zion, Bethlehem, Ein Kerem and Mevasseret***

The purpose of this Convocation is to prepare the way for the King of Glory to come through the Southern Gates of Africa, from Cape Town to Cairo and back to Jerusalem and the salvation and reconciliation of Arabs and Jews: Isa 19:23-25.

We hope to bring apostolic and prophetic leaders and other five-fold ministry leadership from all fifty-seven African nations, including worship leaders and intercessory leaders from all African nations.

We believe this Convocation will greatly enhance God's purposes for Africa including Arab North Africa and Jerusalem, Israel.

The similar meetings in three other cities of the world will be:- Gates of the North in Kiev, 18th - 22nd November 2003; Gates of the West in New York, March 2004; Gates of the East was held in in Singapore in February 2003 and will be held again in February 2004.
