
Subject: Praise & Worship in Parow Valley

Dear Saints

Below please find a letter by Philip Fisher concerning the Praise & Worship ministry. We have decided to circulate this, since it aims to involve, and be of service to the greater Body of Christ, and is not confined to the ministry of one single church. We would ask you to give this effort your wholehearted support.

Eben Swart

Eden Mercy Centre would like to extend an invitation to the Body of Christ, who have a desire to tabernacle with The Most High God, to come and participate in a time of Praise and Worship every Saturday night @17h00 - 20h00. The first meeting will commence on 06-09-03 and every Saturday evening thereafter. I would to also call upon all worship leaders who wish to be involved to contact our office {see below}.

Our Purpose

To establish a forum/platform where the Body of Christ can be functional in praising and worshipping Yahweh God [Ephesians 5:19].
To obey the call for the children of God to dwell in Unity [Psalm 133:1-3].
To worship God in Spirit and in Truth [John 4:23-24]

What this is not?

This is not a gospel concert or talent show.
This is not a fund raising event.
This is not a bless me club.

Venue - Eden Mercy Centre, 107 Joubert Street Parow Valley [off Delarey street, used to be the old Post office]

We urgently require those who are called to the dance ministry, who can play an instrument and those who are competent with blowing the shophar to contact us ASAP.

Yours in the Body of Christ.
