
Subject: First Round of PILTC Course 3 to start in Paarl!

Dear Saints

The long wait for Paarl and surrounds is over!

The first round of the PILTC Course 3 will start in Paarl soon!

We had the first ever rounds of Courses 3 & 4 in the Cape Peninsula first, and are now ready to move beyond these borders. All feedback from the first rounds had been extremely positive. But be warned: If you attend this, your life will never be the same again! Have you considered it possible that your horizons could be broadened again with some more sets of degrees? If you desire that the Holy Spirit stretches your confines and comfort zones even more - then be our guest!
