Dear Saints

I want to jump for joy as we have 10 young people who are planning to camp with us at Eagle's Nest. 5 are going to be our worship team (are we not blessed to have a **team** of the new generation who are willing to camp with us and serve Abba in the most powerful way?) This has been my heart's desire for some time now and now Abba is giving us a double portion!!

I want to plead with you to consider a donation or taking responsibility for sponsoring one of these young people (R275-00) to enable them to join us and expose them to this exciting way of getting together in the Throne Room and hear Abba's voice for a time such as this! Please saints we definitely have a responsibility here and 2 Cor. 9:10-15 will be true in our lives!

I praise our Heavenly Father for what He is doing in these days!!
