Dear Saints

These are the final arrangements for the prayer camp this coming weekend 28-30 May 2004 at Manyano situated in Paarl. There is really an expectancy to hear the voice of the Lord in a mighty way, and I believe we will not be disappointed. There are a few practical arrangements that you need to know:

What to bring along? Your own bedding

Your own cutlery, plates, cups, dishtowel etc.

Your own toiletries, towel etc.

Your own toilet paper.

As there will be no late night or early morning refreshments provided - Please bring your own teabags or coffee.

And according to the normal arrangement by now, please remember a packet of biscuits or rusks for these teabreaks, it really is such a blessing to everybody.

How to get to the campsite?

Travelling along the N1 - take the Paarl Main St off ramp

Follow the Main Street and pass 1 robot (Vineyard Shopping centre and KWV on right)

At 2nd robot turn right into Bergriver Boulevard

Follow Bergriver Boulevard around the circle (Market St.)

Pass Lady Gray St.intersection

Follow the road and turn left into Sanddrift St (Metro Ambulance on corner)

Manyano Centre is on your lefthand side. (behind the Police College)

May everybody fortunate to attend this camp really be blessed by our Father, and may everybody else who is not going this time please interceed for all proceedings taking place at this camp as well as for everybody attending, as I believe we as the intercessors of Cape Town have a far greater responsibility than we realize, both in being there as well as praying at home for the group at the camp. We have to take hands and move in unity forward, taking possession of the land, and trust me that is our task at the moment!!

Jesuslove
