

Subject: Queen of Heaven Teachings in Paarl!

Dear Saints

This is to announce that we've been invited to do the Queen of Heaven Teaching-by-Pictures (which had recently run in Plumstead) in Paarl in Afrikaans.

These teachings contain breakthrough prayer information concerning our city, as well as church life in general.

After the Plumstead teachings, several people have testified about how this information had brought absolute breakthroughs in their spiritual lives, and how the truth had set them free. Video and DVD recordings of the Plumstead teachings (in English) will be available soon (3 recordings) @ R180-00 per video set, and R300-00 per DVD set. Orders can be placed at ctherald@mweb.co.za.

The specs for the Paarl teachings are:

VENUE: Salvation Army, Breda Str, Paarl.

TIME: 19h00 - 22h00.

DATES: Thursday evenings (21 Oct, 28 Oct, 4 Nov).

COST: A freewill offering will be taken.

See you there!
