Dear All

We would like to inform you of a seminar that Amanda Buys will be doing in the Western Cape at LOGOS Christian Church. She will be covering the latest teachings on DID / SRA counseling. This information is not part of her Soul Care School, but it is additional information that she has obtained from the United States from experts on the field for example, Dr. Tom Hawkins, Dr. Jim Friesen, Dr. Ed Smith. It is a total new approach and gives a very easy understanding of what Dissociative Identity Disorder (DID) is, what happens in the mind of a person who goes through severe trauma; what is the Church's role and what should the counselors be doing in the Counseling room.

Please note: The first day will be specifically geared for pastors, leaders and counselors to understand the basics of DID. We would like to request that if you are a counselor that you would please attend all 3 days to get the full understanding of the teaching.

The presentations will be done on Powerpoint with very colorful and practical illustrations.
