

Subject: Please Pray!

Dear Saints

During next weekend (12 - 14 Aug) a number of intercessors from the Western Cape will be on a weekend camp. On the agenda is prayer - concerning a major spiritual stronghold in Christianity. Although it would be premature to reveal the details of this stronghold, we would like to ask of all sincere pray-ers on this list to devote JUST FIVE MINUTES of your time, every day of this week, to pray for this camp. Know that your prayers are needed, and that they will make a difference!

PRAYER POINTS:

1. That God's hand-picked people will attend.
2. For Holy Spirit revelation and insight into the dynamics of the problem.
3. For divine guidance by the Holy Spirit.
4. For holiness and humility for those attending.
5. For power and protection from on High.

Thank you!
