
Subject: Lectures: The Two Babylons.

Dear Saints

Most of you will be aware that I have spent the best part of 2004 translating Rev. Alexander Hislop's brilliant, famous book "The Two Babylons" from archaic English into Afrikaans.

Since then, I have received numerous expressions of gratitude from enthusiastic Afrikaans readers, for whom a whole new world has just been revealed.

But the best is yet to come:

For those of you who have heard about it, but don't have the time or energy to read the entire book, we have excellent news.

As part of the training of the Miqlat Youth Team, I have been requested to present the entire book in a series of lectures. These lectures will cut away most of the book's meticulous proofs of statements, and stick to conclusions, maintaining a clear logical line. Emphasis will be put on the 21st century interpretation of this prophetic book. Come and see for yourself how Biblical prophecy paints the new millennium right before your own eyes!

These lectures will take place as follows:

VENUE: Paarl Strooidak Church Hall (Kleinsaal), Rose Street, PAARL. (On Mountain side of Main Rd).

DATES: Friday, 4 February, and Saturday, 5 February 2006.

See you there!
