
Subject: New PILTC Course starting.

Dear Saints

We have had numerous requests concerning a full PILTC (Prayer and Intercession Leaders Training Course) this year.

We will continue in the same venue as last year (Durbanville).

Please take note that EVERY former PILTC student can re-do any of the 4 courses for which he/she had paid in full in the past, for absolutely free! You will be notified on this list concerning the start of each course. Several people have already re-done the full 4 courses. Maybe your sword needs some sharpening again in 2007! And this time, bring your husband or wife along!

Moreover, the entire series will be professionally video taped this year.
