
Subject: URGENT! MEN & WOMEN TO TAKE A PROPHETIC STAND FOR THE BRIDE OF CHRIST IN CAPE

Dear Saints

Below please find a letter from my wife Isabel concerning the upcoming **Esther Conference** in Cape Town. Please feel free to distribute this to prophetic and prayer friends.

Dear Brother & Sister in Christ

Please prayerfully consider this serious and URGENT matter: Wouldn't you and your spouse consider being part of a **prophetic act** to take a stand for the **Bride of Christ** in Cape Town, South Africa and Africa to rise up in her authority?

The occasion? An **ESTHER CONFERENCE**, hosted at **Parow Lighthouse**, Friday - Saturday (**17 & 18 August 2007**).

WHAT IS IT ALL ABOUT? I quote:

"A Kairos moment, a moment of decision, of action, of change... In 2002 the Lord woke up Elza Meyer (pastor at Moreleta Park NG Church) with these words: **'South Africa, turn back to God!'** Together with this commission to ask the people of South Africa to return to Him, He gave her the promise that He would give her a voice to accomplish this..." Thus the birth of the vision for an Esther conference to prophetically raise up men and women to take a stand and make a difference in our embattled society.

PLEASE NOTE: IT IS **NOT ONLY FOR WOMEN!**

The aim of this conference is to prophetically empower women to rise up like the Biblical Esther on behalf of her family and community - queens raised up for times like these! However, it is of the utmost importance that the MEN should be there to take up position and cover the women in the spirit. During a special ceremony on Saturday, the women will receive a prophetic "crown", whilst the men will blow their shofars to declare in the spirit that they are taking up their authority.

The good news is:

In order to allow as many as possible people - and especially men and couples - the opportunity to be part of this prophetic event, the organizers have conceded to lower the price to **R200 per person** (ie R400 per couple) for those who cannot afford the original R350 for the conference. (That includes the Friday night dinner and a "Feast with Christ, our Heavenly Bridegroom" on Saturday. Have no doubt: According to some of my friends who attended a similar conference earlier this year in Gauteng where 7000 women gathered for the occasion, everything spoke of absolute **EXCELLENCE!**)

A mere "feel good" event? - No ways!

Personally, I have to confess that I myself had my doubts as to whether I should attend this conference. I was afraid it might be yet another "bless me", "geel good", "pat on the back" event. However, yesterday I spoke to the organisers of the event (Moreleta Park NG Church) and I think I've heard their HEARTS:

The Lord has truly given them a VISION to prophetically raise up and empower the men and women of our country for a time like this.

I want to challenge you: Let's forget our denominational prejudices and add our weight to this prophetic calling of God to our "Kings and Queens" - not so much to be blessed YOURSELF, but to BE A BLESSING!

ASK GOD WHETHER **YOU SHOULD BE INVOLVED** IN ONE OF THE FOLLOWING WAYS:

1. If you yourself feel God wants to bless you and prophetically raise you up to take your place in your family or community - don't hesitate! Enter today!.
2. If you know of somebody else, or a couple who needs to be established in their calling in this manner, encourage them to enter, or ask God whether you should perhaps sponsor them if they cannot afford it themselves.
3. Or maybe you sense that God wants you (or you and your spouse) to attend the conference as a PROPHETIC ACT, not for what YOU are going to get from it, but to make a stand in the spirit.
4. Maybe it is impossible for you to attend, but God presses on your heart to INTERCEDE for this event - that the Bride of Christ would truly enter into her authority.

5. Or maybe you would be willing to give a hand with PRACTICAL PREPARATIONS, blessing the conference goes in the following manner: The organisers are desperately looking for someone to help them decorate the ministry rooms for "washing of feet" with pretty cushions, beautiful fabrics, basins, fragrant soaps and lotions. Liewe vriend/vriendin in Christus

Ek rig hierdie ernstige en DRINGENDE skrywe aan jou om te vra: Wil jy en jou man/vrou dit nie biddend oorweeg of julle dalk moet deel wees van 'n **profetiese standpunt** inneem sodat die **Bruid van Christus** in Kaapstad, Suid-Afrika en Afrika in posisie kan kom nie?

Die geleentheid? 'n **Ester-konferensie**, aangebied by **Parow Lighuis**, Vrydag - Saterdag (**17 & 18 Augustus 2007**).

Waaroor gaan dit? Ek haal aan:

"'n Kairos oomblik, 'n oomblik van beslissing, van aksie, van verandering ... In 2002, het die Here ds Elza Meyer van die NG Gemeente Moreletapark, een nag wakker gemaak met die woorde: **'Suid-Afrika draai terug na God'**. Hy het, saam met die opdrag dat sy die mense van Suid-Afrika moes vra om terug te draai na Hom, ook die belofte gegee dat Hy haar 'n stem hiervoor sou gee." So word die visie gebore vir die Ester-konferensie, waar manne en vroue opgerig word om te staan en 'n verskil te maak in ons geteisterde land.

LET WEL: DIS BESLIS **NIE NET VIR VROUE NIE!!!!**

Die doel van hierdie konferensie is om vroue te bedien & profeties te bemagtig om soos 'n Ester van ouds hul plek in te neem tot redding van hulle gesinne en gemeenskappe - koninginne opgerig vir 'n tyd soos hierdie. DIS EGTER DRINGEND NOODSAAKLIK DAT DIE MANNE OOK DAAR SAL WEES OM HUL POSISIE IN TE NEEM EN DIE VROUE IN DIE GEES TE "COVER"! Tydens 'n spesiale seremonie ontvang elke vrou die Saterdag 'n "kroon", terwyl die manne hul sjofars blaas om in die gees te verklaar dat hulle hul outoriteit opneem.

Die goeie nuus is:

Om soveel as moontlik mense - en veral ook manne en egpare - die geleentheid te gee om deel te wees van hierdie profetiese geleentheid, het die organiseerders 'n toegewing gemaak om vir dié wat nie die R350 vir die konferensie kan bekostig nie, die prys te verminder tot **R200 per persoon** (maw R400 per couple). (Dit sluit in die ete Vrydagaand en 'n "Feesmaal met Christus, ons Hemelse Bruidegom" op Saterdag. En wees verseker: Van my vriendinne wat reeds 'n soortgelyke konferensie vroeër vanjaar in Gauteng bygewoon het waar 7 000 vroue saamgekom het, getuig van absolute EXCELLENCE in elke opsig!)

Bloot "Feel good"? - Beslis meer as dit!!!

Persoonlik, moet ek bely, het ekself lank getwyfel of ek hierdie konferensie moet bywoon. Ek was so bang dis net 'n "bless me", "feel good", "klop op die skouer en koppievryf"-geleentheid. Ek het egter gister gepraat met die organiseerders (Moreletapark NG gemeente) en ek dink ek het nou hul HART gehoor. Die Here het naamlik werklik vir hulle 'n VISIE gegee om die vroue en manne van hierdie land profeties te bemagtig vir 'n tyd soos hierdie.

Ek wil julle uitdaag: Kom ons vergeet van denominasionele vooroordele en gooi ons gewig in by hierdie profetiese roeping van God vir ons "konings en koninginne" - dalk nie soseer om JOUSELF te "bless" nie - "but to BE A BLESSING!"

HOOR BY DIE HERE OF JY NIE OP EEN VAN DIE VOLGENDE MANIERE MOET **BETROKKE RAAK** NIE:

1. As jy self voel die Here wil jou "bless" en profeties bemagtig om jou plek in te neem vir jou gesin, familie of gemeenskap, skryf vandag nog in!
2. As jy weet van iemand of 'n egpaar anders wat nodig het om op so 'n manier profeties in hul roeping bevestig te word, moedig hulle aan om in te skryf, of oorweeg dit om hulle te "sponsor" as hulle dit nie self kan bekostig nie.
3. Of dalk voel jy die Here lê dit op jou hart dat jy (of jy en jou man) as 'n profetiese aksie die konferensie moet bywoon, nie vir wat JULLE daaruit gaan kry nie, maar om in die gees 'n stelling te maak.
4. Dalk is dit vir jou onmoontlik om self te gaan, maar die Here lê dit op jou hart om IN GEBED IN TE TREE vir hierdie geleentheid - dat Christus se Bruid werklik sal opstaan in haar outoriteit.
5. Of dalk is jy bereid om 'n handjie by te sit met die praktiese voorbereidings en die konferensiegangers op dié manier te "bless": Die organiseerders soek naamlik dringend iemand wat bereid is om die "VOETE WAS KAMERS" mooi te maak met kussings, lappe, waskomme, lekkerruiksepies en roompies. (Bel Katrien Ferreira by 021- 939 1742 of 083 457 3612).
