

**Subject:** Bulk DVD wallet now available.

Dear Saints

We have recently made a new bulk compilation of our products - which makes it much easier and cheaper to acquire them.

In the past, we have often received requests for discounts on bulk orders. With this new compilation, discounts have become much less complicated, which enables us to make it readily available.

We have literally bundled ALL our DVDs and CDs into ONE bulk DVD wallet- which makes mailing, transporting and shipping MUCH less complicated - and much less fragile than DVD boxes!

The wallets are made of strong artificial leather and are dust- and waterproof.

The total content of the wallet amounts to R5 425-00 at normal price. We have never raised our prices since we've started to produce DVDs 7 years ago - although our production and duplication costs, as did your cost of living, have rocketed upwards.

We are therefore proud to offer you the wallets at 27% discount on the normal price - at R3950-00. Plus R29 postage & packaging for addresses in SA.

They make excellent wedding gifts, and constitute imperative training for House Church members (59 DVDs + 4 CDs).

We currently have 10 Afrikaans sets available. First come, first served. English sets may be ordered, but will not be mailed immediately. (Duplication takes time!)
