
Subject: Capetonians - please respond!

Dear Saints

With reference to the teaching weekend of 23 - 25 Nov. in Alberton on the Blood Covenant, Baptism and Hebrew Roots, several Capetonians have enquired whether we could do the same in **Cape Town**.

We realise this is an extremely busy time of the year for most folks.

Could you please give us an indication whether you would attend such a seminar in the **Northern Suburbs** if held over a **weekend** before the **schools close** (7 Dec) this year - so we might have some idea whether it would be worthwhile to hold such a meeting?

If you would want us to have the meeting **at your church** or **own venue**, please **invite** us.

If you would be interested in attending, please hit the **"Reply"** button on this message and give us your **number of attendants**.

Thank you so much for your cooperation.
