

Subject: !!!Urgent prayer request!!!

Dear Intercessor

One of our intercessors, Florence du Plessis (sister-in-law of Dr Henry Kirby), has been attacked in their home in the early hours of Thursday morning. She has suffered a skull fracture and haemorrhage, and would probably have to undergo surgery to relieve the pressure on the brain. At the moment she is in a stable condition in the Panorama Hospital intensive care unit.

As you know, Dr Kirby is very much involved in spiritual mapping in Cape Town and heads up intercession on a national level. Please pray for the protection of him and his family. Especially come against any fear which the enemy might use to paralyse them.

Ps 91: 14-16

"Because (she) has set (her) love upon Me, therefore will I deliver (her): I will set (her) on high, because (she) knows and understands My name [has personal knowledge of My mercy, love, and kindness - trusts and relies on Me, knowing I will never forsake (her), no, never]. (She) shall call upon Me, and I will answer (her); I will be with (her) in trouble, I will deliver (her) and honour (her). With long life will I satisfy (her) and show (her) My salvation."
