

Subject: Latest lectures on Freemasonry

Dear Saints

This is to notify you that I will be teaching the latest research information on FREEMASONRY and the QUEEN OF HEAVEN at Bethel Church in Plumstead soon. The Lord is opening a way for prayer teaching into the Southern Suburbs in an amazing way. Many of you had seen this series three years ago, and never since. In the meantime, scores of NEW INFORMATION had been added.

This might be the last opportunity for a considerable time to see this series in Cape Town, since it does not form part of PILTS Courses 3 & 4 which are now running. Do not miss the opportunity!

DATES: Sundays 13, 20 & 27 of July 2003.

TIME: 18h30 for 19h00.

VENUE: Bethel Church, Burnham Rd, Plumstead.

COST: Free. As this forms part of the normal Bethel church services, the customary offering will be taken.

Manuals containing the documentation of the research will be on sale, as well as CD's & video's.

DIRECTIONS:

From the north, take the M5 (Black River Parkway, becoming Kromboom Parkway) southwards. At Plumstead, turn right into Dick Burton. Go straight through all the 4-way stops to T junction with Victoria. Turn right into Victoria. Follow Victoria across train bridge to T junction with Main. Turn right into Main. Turn left immediately into Gabriel. Turn left into second road on left: Burnham (after 7-11). Church on left.

Blessings!

Eben Swart
