

**Subject:** Documentation on QoH.

---

Dear Saints

Many subscribers to this network had enquired about "the notes of which I make mention on the QoH video series."

What we are referring to, is the documentation of the facts mentioned in the Queen of Heaven video series.

The reason for people's enquiry is that they watch the series, and absorb most of the facts mentioned. Then, at a later stage they want to confirm some of these facts, but cannot remember where in the video series they heard it - and obviously they don't want to sit through the entire series again, just to confirm one fact. That's where the notes come in handy.

Now, at long last, we have completely updated the notes on the Queen of Heaven, with small black & white thumbnail pictures - which would help you to navigate through the facts. The thumbnails, of course, are the pictures shown in the video series.

These books are now available in English, for R30-00 each. We have taken great care to supply quality information. These are now available at our office in Bellville.

To order by mail:

Deposit R 36-00 (R 30-00 per book, plus R 6-00 postage) in ABSA account 905 413 0094, Branch nr. 632 005. Account holder: Herald Ministry.

Blessings!
