JEWISH ART EXHIBITION - CELEBRATE JERUSALEM, 3 JUNE 2006  
(Anniversary for Yom Yerushalayim 26 May)

Please take note of a Jewish Art Exhibition hosted by The Messianic Testimony, an International Evangelical Witness to Jewish People. An exhibition, aimed at CHRISTIAN BELIEVERS, is scheduled for 3 June 2006 at Logos Church in Bellville (see programme below).

There will also be another event on 27 May 2006 (details not specified here), specifically aimed at JEWISH PEOPLE ONLY!!! If you have a Jewish friend, this could be a wonderful outreach tool. For more information on the latter event, contact Claudia Carr at 082 593 7690 or [johncarr@absamail.co.za](mailto:johncarr@absamail.co.za)

THE AIMS OF THE MESSIANIC TESTIMONY EXHIBITION ARE:

1. arousing a prayerful interest in Israel
2. Jewish evangelism - street and friendship, artwork evangelism  
sensitive and discreet outreach.
3. assisting Messianic believers to relate to other believers
4. combating anti-semitism  
the church is not Israel, but grafted in.  
God has not forgotten His people and is still working out His purpose in them,  
working with other ministries as we become more acutely aware of a special healing work the Lord is busy with  
between REMNANTS of various nations.  
i.e. we work with other Muslim outreach ministries
5. prayer and intercession for all of the above.  
praying with the other ministries, we meet regularly  
praying with interested Messianic Jews and Muslim background believers.
6. house church/bible study where all three parties are represented on a bi-weekly basis.
