
Subject: Audience Needed for video.

Dear Saints

After the past weekend's dress rehearsal lectures on "The Two Babylons" in Somerset West, we are now eventually ready to video the entire series formally. Those in attendance were tremendously blessed, informed and challenged by the content. Once again, I have realised how absolutely relevant and urgent this message is to the Body of Jesus Christ. If you plan to be part of the End Time Church - you better make a plan to hear this! You needn't slog through the book anymore - you can simply sit back and receive everything in user friendly format, with the aid of more than 200 text slides, and more than 300 picture slides. Next time round, and for the first time, we will be presenting it in the Northern Suburbs. We need an audience to make this LIVE for the sake of the video - a video and DVD which will definitely cross the globe!
