

**Subject: Help to get the Truth to the Persecuted Church!**

Dear Saints

Below please find the latest newsletter from Open Doors.

This is an international ministry unto the persecuted church worldwide. Over many years Open Doors has built up a credible, trustworthy ministry in this field - having done excellent work over a long period of time.

Please read Gerrit Coetzee's letter below.

We hardly ever discuss money matters in our letters to you, but we deem this a special, worthy cause for the sake of the Kingdom of Heaven. Let us make excellent use of this once-in-a-lifetime opportunity to get the truth of the Bible into the hands of those who hunger and thirst for it. Ask the Holy Spirit how much you should donate.

Unfortunately, having copied the letter below from the original, the buttons would not work.

Yours in Christ

 Dear Friend

**From Morocco to Iran the winds of revolution are blowing in the Middle East. Civilians are fed up with their leaders and are fighting for freedom. They are paying with their blood and lives.**

**Will these winds of change bring more freedom or more persecution for Christians in these countries? Nobody knows. What is certain is that the doors of distribution have opened for Open Doors, but may close at any moment.** 

While chaos dominates the streets in various Middle Eastern cities, some borders and checkpoints are not guarded and others not as strictly as before.

Stephan, a co-worker in the Middle East, said, "We have increased the amount of literature distribution. Bibles and other Christian materials are reaching our persecuted family. **Now is the time to bring God's Word to the Christians in unprecedented amounts.** Our warehouses will soon be empty."

Open Doors' goal is to fund the distribution of about **9 000** Bibles in the Middle East, with the average cost per Bible being **R50.00**.

Please know that your generosity does and will refresh the hearts of many believers. Thank you for your faithfulness!

Should this project be fully funded, your donation will be used where needed most.

Together in His service

Gerrit Coetzee
